The meaning of "NO" is  
"Next Opportunity".

No one is useless.  
They are used less.

If you want to be a winner  
of life, then you have  
to do karma.

Some sentences give  
a good life.  
Some lives give a good  
sentence.

Life is a mystery to  
be lived, not a problem  
to be solved.

We have two types of life  
in this world -  
One where nothing  
is a miracle.  
Another where everything  
is a miracle.

There should not be any  
gap between waking up  
and getting up.

Service to humanity  
is the best  
work of life.

Quitters never  
win and winners  
never quit.

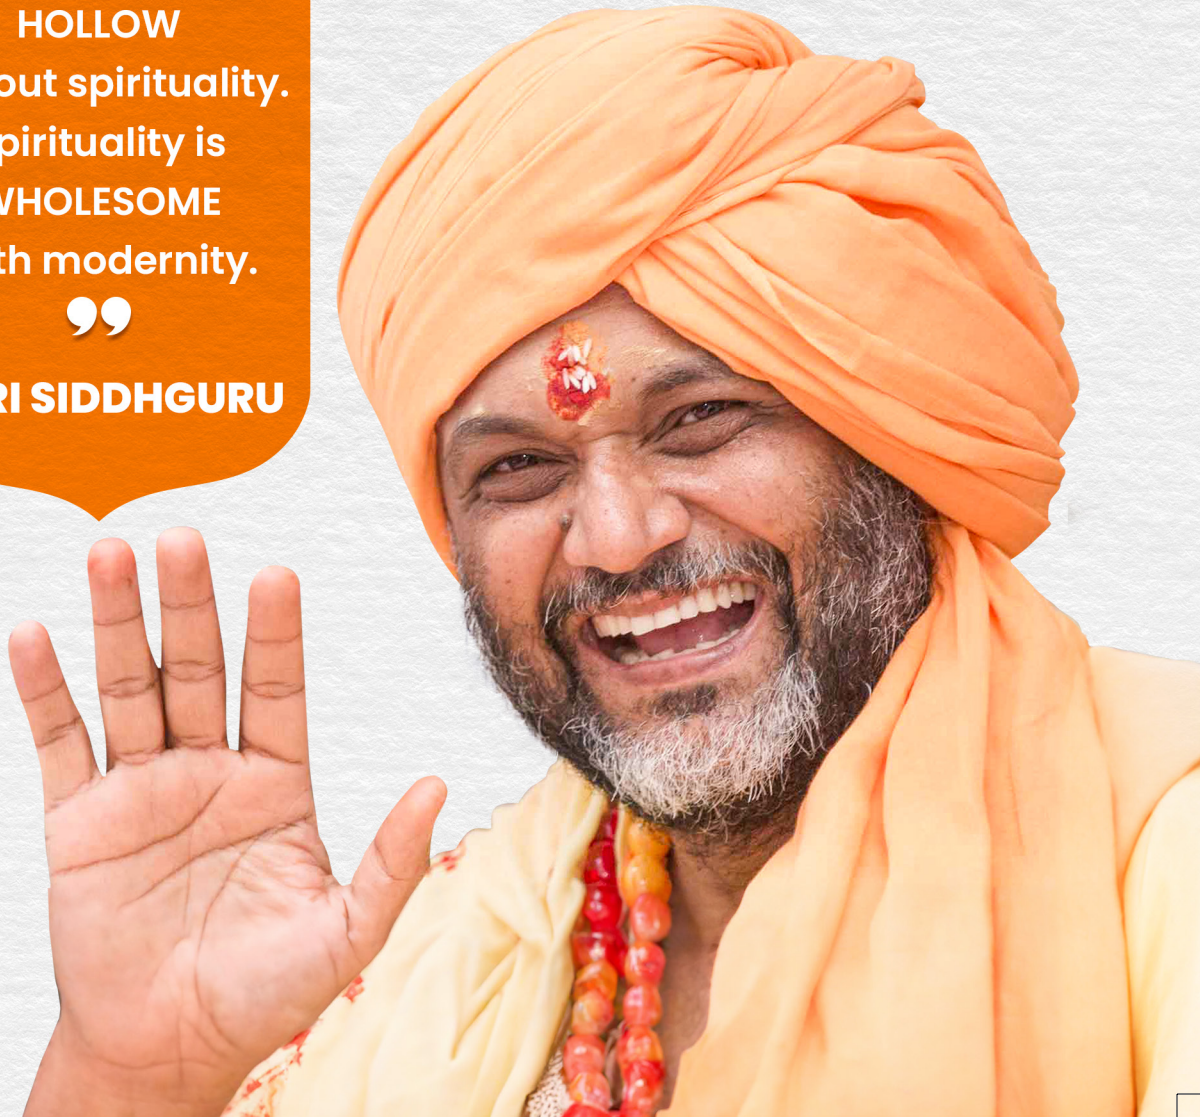

Modernity is  
HOLLOW  
without spirituality.  
Spirituality is  
WHOLESUME  
with modernity.

– SRI SIDDHGURU

**It is not a question of who is with me or not.**

The question is that when God is with me, who can be against me?

**In Faith, there is no question.**

In Surrender there is no negotiation.

**3 Stages of a man's life-**

Learning.  
Learning & Earning.  
Learning, Earning & Returning.

**Faith is believing in something that you cannot see.**

Reward of faith is that you start seeing what you believe in.

**Happy moments-Praise God.**

Difficult moments-Seek God.  
Painful moments-Trust God.  
Every moment-Thank God.

**Happiness keeps you sweet.**

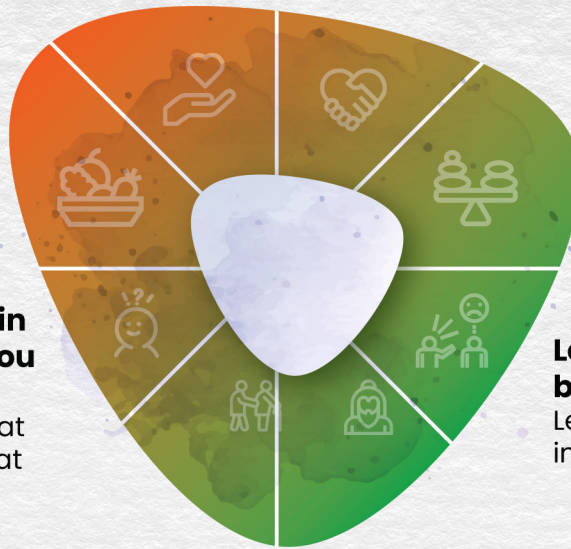

Trials keep you strong.  
Sorrow keeps you human.  
Failure keeps you humble.  
Success keeps you glowing.  
But only Faith keeps you going.

**In Faith, there is no wrong.**

In Faith, everything is right. In faith, even wrong is right.

**Let Life be beautiful because of the world.**

Let Life be beautiful inspite of the world.

To be happy, we have to  
forget two things –  
Good done to others  
and bad done by others.

Attitude does not matter  
where it has been  
shaped, where it has  
been formed.  
Once shaped, once  
formed, it will either  
Create You or Destroy  
You.

Argument is done to find  
who is right.  
Discussion is done to find  
what is right.

Your life will serve only in two  
ways: either as an example  
or as a warning for others.

With little, you are rich when  
you are grateful.  
With a lot, you are poor when  
you are ungrateful.

Past is Wastepaper.  
Today is Newspaper.  
Tomorrow is Question Paper.  
Life is an Answer Paper.  
So read and write carefully.

Experience is not what  
happened to you.  
It is what you do with what  
happened to you.
